

Listing ID: 36

Company Name: Engineering Informatics Pty Ltd

Description: NokusaEI is a South African based company consulting to many blue-chip companies throughout the world. Recent projects ranged from Canada, through Europe, Africa and the Middle East to Australasia. Due to the large amount of work being undertaken in Australasia, NokusaEI established a permanent local operation in Melbourne trading under the name Engineering Informatics (EI) As ECM Special Expertise Service Partners of SAP and Microsoft, NokusaEI is recognised as having a significant track record in successfully implementing ECM solutions at customers, and with dedicated consultants experienced specifically in implementing SAP and Microsoft ECM solutions. NokusaEI is the recipient of the prestigious "SAP Africa Service Partner Excellence" award for 2004 and 2005.
